Education

Kansas State University, Manhattan, KS

B.S. in Mathematics

B.S. in Statistics & Data Science

Expected May 2027 – GPA: 4.00

Relevant Coursework

MATH 350 – Mathematical Scholars Calculus 3 – Kansas State University – Fall 2023 – Grade: A

MATH 351 – Mathematical Scholars Calculus 4 – Kansas State University – Spring 2024 – Grade: A

MATH 512 – Introduction to Modern Algebra – Kansas State University – Fall 2024 – Grade: A

STAT 610 – Introduction to Mathematical Statistics I – Kansas State University – Fall 2024 – Grade: A

STAT 611 – Introduction to Mathematical Statistics II – Kansas State University – Spring 2025 – Grade: A

MATH 560 – Introduction to Topology – Kansas State University – Spring 2025 – Grade: A

MATH 510 – Discrete Mathematics – Kansas State University – Spring 2025 – Grade: A

MATH 721 – Introduction to Real Analysis – Kansas State University – Fall 2025 – Grade: A

MATH 723 – Complex Function – Kansas State University – Spring 2026 – Grade: tbd

MATH 882 – Differential Geometry – Kansas State University – Spring 2026 – Grade: tbd

Relevant Experience

Summer Undergraduate Mathematics and Statistics Accelerator, June 2024 – August 2024, IMSI

Participated in an intensive eight-week mathematics and statistics program hosted by IMSI at the University of Chicago, focused on preparing students for graduate school and collaborative

problem solving. Topics covered were abstract linear algebra, mathematical probability, analysis, and linear regression.

Grader, August 2025 – present, Kansas State University

Worked with professors to grade upper-division undergraduate courses in algebra, discrete mathematics, analysis, linear algebra, and number theory.

Tutoring, May 2024 – present, *many locations*

Tutored students one-on-one in various undergraduate-level subjects in mathematics and statistics, collaborated with students to reach conceptual understanding.

Honors and Awards

University Scholar Award (2023-2027), Kansas State University

Leonard E. Fuller Scholarship (2024-2026), Kansas State University Department of Mathematics

Ray and Carolyn Waller Scholarship (2025-2026), Kansas State University Department of Statistics

Ronald and Rae Iman Scholarship (2024-2025), Kansas State University Department of Statistics

Parker Competition 2nd place (2023 and 2024), Kansas State University Department of Mathematics

Putnam Competition (2023, 2024, and 2025), Kansas State University Department of Mathematics

Kansas Governor Scholar (2023), Kansas State Department of Education

Other Activities

Undergraduate Research (Spring 2026 – present),

Working with Dr. Lizaveta Ihnatsyeva on topics in Analysis on Metric Measure Spaces in the Center for the Integration of Undergraduate, Graduate and Postdoctoral Research (I-Center) at Kansas State University.

Directed Reading Project (Fall 2023) – Mathematical Modeling

Worked with a graduate mentor to independently study mathematical modeling techniques.

Directed Reading Project (Fall 2024) – Topology and Quaternions

Studied introductory topics in topology and then moved to an introduction to manifolds and quaternions.
